13. Lupin

14. Moluște

Valori Nutriționale și Alergeni

Povestea noastră

Ceaunul este o metaforă pentru noi...

Am putea spune că este singurul vas care reușește să prepare mai mult decât mâncare.

Este acel vas care reușește să strângă oamenii în jurul lui, să îmbie la povești și amintiri, la râsete și veselie, la sentimente de libertate și autenticitate.

Mergând mai departe cu metafora noastră, am putea spune, dragi clienți, că voi sunteți focul nostru, acea energie vie de care ceaunul are nevoie să prepare gustul perfect.

Vă lăsăm să ne descoperiți povestea, prin mesaje care vorbesc despre toate ingredientele nevăzute din preparatele noastre și de ce nu, vă invităm să faceți parte din ea.

Să aveți poftă de viață!

Steaua
Nordului

noroc, adunare,
familie,
călăuză

Pasărea

sufletul și hrana,
libertate, vis,
înfinit

Clepsidră

timp, energie,
echilaniu, cerul
pământul

Soarele

speranță,
viață, lumină,
căldură

Rombul

belșug,
lacul unde serămintele
prind viața

*Dacă-i rost de adunare,
facem totți o masă mare*

Chateau Cristi Blanc de Blancs este un vin spumant elegant, obținut exclusiv din struguri Chardonnay cultivați în podgoriile Chateau Cristi din satul Găvănoasa, sudul Moldovei — o regiune renumită pentru soiurile sale argiloase și microclimatul ideal pentru soiurile albe nobile.

Produs prin metoda Charmat, acest vin își păstrează prospețimea și expresia florală vibrantă a soiului. În pahar se prezintă cu o culoare galben-pal deschis, străbătută de un perlaș fin și persistent.

The Chateau Cristi Blanc de Blancs is an elegant sparkling wine, crafted exclusively from Chardonnay grapes grown in Chateau Cristi's own vineyards in Găvănoasa village, southern Moldova. This region is renowned for its clay soils and ideal microclimate, perfect for noble white varieties.

Produced using the Charmat method, this wine retains its freshness and the Chardonnay grape's vibrant floral expression. In the glass, it presents a light straw-yellow color, traversed by a fine and persistent perlage.
